

As an Appropriate Body we are required by the DfE to run our service on a not-for-profit basis. This means our price always represents the lowest figure at which we can deliver the service without compromising on the high quality, responsive support that we offer ECTs and their schools across the two years of induction. In addition, we benchmark our prices against other Teaching School Hub-based delivery to ensure our service represents excellent value for money.

Appropriate Body

SWIFT AB Package for those schools designing and delivering their own training programme based on the ECF | Cohort C starting September 2023 | £380 plus cost of SBP Fidelity Checks (see table below)

Year 1 Costs	Year 2 Costs	Fidelity Checks
£190 per ECT Plus costs for fidelity check	£190 per ECT Plus costs for fidelity check	A daily rate of £350 will be charged for the fidelity checking of school designed Induction and ECF Programmes. The school will be advised on the number of days in advance.

ABs are expected to check in a greater level of detail where schools have opted to design their own ECF programme due to the greater risk that a school designed induction could diverge from the ECF when DfE accredited materials are not used as the basis for an induction programme. 'DfE April 2021'

Included:

- SWIFT AB Standard Package and

Fidelity Checks to ensure:

- ECTs and Mentors receive a programme of support and training based on the ECF induction programme.
- The induction's design covers the evidence-based statements in the ECF.
- ECTs have received planned elements of the induction.
- Checks to ensure the materials and sessions are in line with the statutory guidance for induction and meet the ECF standards.
- Schools to provide detailed breakdown of the programme for years 1 and 2 showing how the ECF statements are sequenced for the induction period year.
