

November 2021

Dear Colleague

Re: Application for NPQ Programme Facilitators (for Cohort 1b)

This September 2021, Leading Schools South West have introduced the reformed NPQs in conjunction with Teach First as a National Provider, and with the Teaching School Hubs, OneCornwall and SWIFT.

These are exciting programmes which make a significant difference to the quality of leadership and, ultimately, on the achievements of pupils in South West schools.

Facilitating one of these programmes is a source of enormous personal satisfaction and personal professional growth; it makes a major contribution to the success of leaders, schools and pupils across the region. We want to recruit as Facilitators a range of serving leaders representing the full range of school phase and geography across our region.

All materials and content for sessions is provided. Your role is to facilitate online seminars at the end of modules (one hour each) and the face-to-face conferences. Training is provided by Teach First, with ongoing support from LSSW and your school is recompensed for your time. Cohort 1b is due to start in February 2022 (*see further details attached*).

Please get in contact if you have any questions that are not answered by the information in this pack, and we look forward to receiving your application.

The closing date for applications is **Thursday 16 December 2021**.

Thank you once again for your interest in this role of Facilitator for the NPQs.

With best wishes,

Roger Pope CBE
Leading Schools South West
