Unlocking the TA Toolkit Programme

Unlocking the TA Toolkit is a comprehensive programme which is supported by EEF evidence and aimed at TAs from across the region. From the outset, this programme will engage school leaders and focus on the deployment of TAs and what effective and ineffective practice looks like, ensuring that our approach is in line with the EEF's Making the Best Use of Teaching Assistants guidance report.

Delegates should be working at Level 2 or Level 3 with some responsibilities for managing whole-class sessions. This programme requires a commitment from the Headteacher or a senior leader to attend session 1, 'Key TA Deployment Messages for Senior Leaders' (led by Jon Eaton & Andy Brumby – EEF).

SWIFT
Members £185

Non-members
£245

The Programme comprises 9 half day sessions, between 11 January 2023 and 15 March 2023.

Primary Subject Leadership Programme

Tarka Learning partnership - in conjunction with SWIFT - has formed a partnership with the Chartered Management Institute and Petroc to develop a practical programme based on the skills and approaches Primary Subject Leaders need.

Aims:

- To equip participants with a comprehensive understanding of practical subject leadership approaches linked to their own classroom and leadership practice. To understand key elements of curriculum design including intent, implementation and impact.
- To interweave progression statements within curriculum planning including concepts, knowledge and skills.
- To establish high quality features of teaching and learning within their subject.
- To support the development of CPD and subject knowledge for staff.
- To prepare the leader for a deep dive within their subject.

Making the Difference for Disadvantaged Pupils

Pupil Premium strategies need to be published by 31 December 2022 and need to align with the DfE's 'menu of approaches'. This four-day, face-to-face programme is designed to help you to explore practical, evidence-informed approaches for breaking the link between family income and educational attainment. This supports you to complete your PP strategy - more importantly, it helps you raise the attainment of children most at risk of underachieving.

You'll engage in three face-to-face sessions prior to 31st December to ensure your PP strategy is ready for submission. Two webinars maintain a focus on good implementation. A fourth face-to-face day in February helps you put your strategy into practice through effective Professional Development.

Monday 17
October 2022
to Friday 3
February 2023

Cost: £150 for
two members
of staff

The programme is open to **all primary and secondary schools across Devon** and is aimed at Head teachers and Senior leaders with responsibility for your school's PP strategy.

AQA Feedback on the 2022 GCSE Examinations

A popular event in the SWIFT CPD calendar, the AQA 'Feedback on Examinations' are key training events, giving teachers essential feedback on recent exams.

For many schools in the South West, attending face-to-face events can be difficult because they are held in major cities. SWIFT has therefore commissioned AQA to deliver these feedback training events in Devon; which means you can access the course at a significantly reduced rate.
