Curriculum Forum | Tuesday 14 March 2023 | 1500 - 1630

Effective curriculum design and delivery sits at the heart of great education for children. Recent years has seen a renewal of leadership focus on curriculum. SWIFT Curriculum Forums are termly meetings that bring together middle and senior leaders from diverse educational settings to examine latest approaches to curriculum. We aim to bring together the best of regional, national and available evidence in a short, easy to access session.

Part A | Keynote

Mary Myatt | Refining the Curriculum

Mary Myatt is an education adviser, writer and speaker. She trained as an RE teacher and is a former local authority adviser and inspector. She engages with pupils, teachers and leaders about learning, leadership and the curriculum. Mary has written extensively about leadership, school improvement and the curriculum: most recently ['Huh: Curriculum conversations between subject and senior leaders'](#) with John Tomsett. She has also established [Myatt & Co,](#) an online platform with films for teachers, teaching assistants and leaders including governors. Mary cofounded the RE Quality Mark, and is a member of the curriculum advisory group for Oak National Academy.
