Celebrating Cultural Diversity | Live Lesson with LYFTA

Lyfta is offering schools a free live lesson in celebration of World Day for Cultural Diversity. The sessions are 45 mins long with different sessions suitable for different age groups. No preparation is required - just sign up and join with your class/school via Zoom on the day.

The sessions will explore themes linked to British values, particularly around mutual respect and understanding of others, and will be celebrating the diversity of British society by exploring this story as a collective experience with schools across the UK and beyond.

In an increasingly complex, interconnected world, providing opportunities for discussion and celebration of cultural diversity is essential to promote inclusivity, increase empathy and to build strong communities.

Devon School Business Managers Association Annual Conference

Following the impact of Covid and with budget cuts and a deteriorating economic situation, it is more important than ever to hear practical insights that we can take back to our schools and multi academy trusts, to generate sustainable income and to achieve more with less. Also, to consider how we can manage the wellbeing of ourselves and our schools and build the resilience critical to weathering these uncertain times.

The conference will give an opportunity for school business, operations and finance professionals to meet and network with likeminded peers, visit an exciting exhibition packed full of leading education suppliers, attend practical workshops, and hear from industry leading and inspirational speakers.

Early Talk Boost

The Education Endowment Foundation (EEF) is working with the Department for Education's (DfE) Stronger Practice Hubs to expand its support for nurseries and early years settings.

As part of this work the EEF are recruiting settings to take part in pilots and trials of approaches that show promise.

One of the projects, Early Talk Boost, is looking for schools across several areas in the South West.

Early Talk Boost is a trial targeted at three- and four-year-olds identified as needing additional teaching to support talking and understanding words. Each session includes language activities supported by songs and storybooks.

Sign-up Deadline

30 September, 2024 at 12:00am
