Similarity and difference</b> Wednesday 15<sup>th</sup> March 1-4pm Trinity &amp; Online</p> <p><b>5. Causation and consequence</b> Thursday 27<sup>th</sup> April 1-4pm Trinity &amp; Online</p>
Training objectives	<p>This series of master classes will enable colleagues to:</p> <ul style="list-style-type: none"><li>• Know and understand the key concepts that underpin the study of History at any stage of learning through an enquiry approach, including EY Understand of the World.</li><li>• Recognise how concepts serve as the connecting building blocks of subject disciplines and enable learners to understand and assimilate new knowledge within a 'spiral' curriculum.</li><li>• Understand how planning history around key concepts enables progression in subject language acquisition and specialist vocabulary and key terms.</li><li>• Engage in practical and interactive professional reflective practice that applies learning in the classroom through gap tasks</li></ul>
Learning Outcomes	<ul style="list-style-type: none"><li>➤ Confident subject knowledge of history with a depth of understanding that enables connections in learning to be made.</li><li>➤ Practical pedagogical approaches to apply in the classroom and continuous provision to develop history and understanding of the world.</li></ul>
Additional Information	<p>These sessions will be run live with a face-to-face session in either Exeter or Barnstaple for participants to come to. The session will also be live streamed to enable those from a distance to attend and take part within breakout rooms and live chat</p>
