### SWIFT Mental Wellbeing Week 2022 Monday 14 to Thursday 17 February 2022

Mental wellbeing for children and young people is an increasingly important focus for schools. But, staff mental wellbeing also needs to be carefully nurtured. This is all the more important further to experiences during the Covid-19 pandemic and post-pandemic recovery that have sharpened the focus and need to support strong mental well-being.

With this in mind, we are pleased to bring you Mental Wellbeing Week 2022 that follows the successful 2021 event in which many schools participated and reported very positive feedback.

This year's dedicated week of events is designed to support staff wellbeing and is scheduled after the school day, so that you and your colleagues can participate and feel relaxed as possible in order to benefit from these sensitively selected sessions:

- **Managing your Mental Health and Wellbeing**
- **Podcast - Eating for Mood**
- **Practical Ways to Manage Stress**
- **Introduction to Mindfulness**
- **An Introduction to Mental Health Awareness for Line Managers**
- **Walking for Wellbeing**
- **Interactive Live Family Cookery Session**
- **Developing a Wellbeing Action Plan**

**Dates:** Monday 14 to Thursday 17 February 2022

**Times:** After school

SWIFT member schools need to register their school **once** for the Mental Wellbeing week. All colleagues can then access all the sessions **free**.

Non-member schools pay a **one-off** £50 charge for their school so that all colleagues can access all the sessions.
