

SWIFT Secondary Health & Social Professional Community

Thursday 13th January 2022 | 3:30pm to 5:00pm | Online

Meeting Aims

To create a support network in which schools share ideas and effective practice and discuss ideas surrounding Secondary Health & Social Care education. To focus on practical solutions to common challenges and gain expert advice and guidance from Health & Social Care lead professionals.

Agenda

3:30-3:35pm: Welcome and Digital Housekeeping

Welcome from Danni Johns the SWIFT Secondary Health & Social Care Professional Community Lead. Audio and Visual checks. Please say "hello" and give your school's name in the chat box.

3:35-4.05pm: Exam Board Input | Pearson

Joanna Knight (Pearson Senior Partnership Manager) and Esther Trehearn (Pearson Subject advisor for Health & Social care) will be joining us for an update on the Pearson Health & Social Care qualifications. This session will cover:

- The Course at a glance – an overview of the qualification structure
- An assessment overview
- Grading at component & qualification levels
- Planning your programme – the ongoing support & resources available to you
- Opportunity for Q and A

4:15-5:00pm: Evaluation of Health & Social programmes | Danni Johns | Plympton Academy

An analysis of the delivery models used in schools of Professional Community members. This evaluation will cover the advantages and disadvantages of the delivery and support provided by exam boards.

Please complete the questionnaire emailed to you ahead of the session on the 13th.
