

SWIFT SEND Series | 2022 - 2023

Introduction

As part of SWIFT's commitment to creating high-quality opportunities for staff to learn, develop and connect, we are committed to providing meaningful professional development to support all children and young people, including disadvantaged children and those with SEND in order to help them to achieve the best educational outcomes.

SWIFT has evolved their CPD SEND programme to bring up-to-date and practical training for colleagues to take back helpful strategies and knowledge into their own educational settings.

Course Structure

The SEND series for 2022 – 2023 consists of **three** sessions, all of which are online.

Session 1 | Teaching Assistants New to the Role

Tuesday 27 September 2022 | 1100 – 1200 | Online

This session will enable Teaching Assistants who are new (and not so new) to their role to develop a vision of what exemplary practice looks like.

With reference to Professional Standards, research and recommendations, this session will reflect on the role of the Teaching Assistant and begin to develop relevant skills and knowledge when supporting children and young people with SEND.

Cost | SWIFT Members £30 | Non-Members £40 per person.

Book your place: [here](#)

PLEASE BOOK BY Thursday 22 September 2022.

Session 2 | Dyslexia SEND Training

Tuesday 7 February 2023 | 1100 – 1200 | Online

This session is for staff at all levels to support dyslexia in the classroom. Practical guidance will provide support in how to deliver interventions and work with pupils with dyslexia and dyslexic traits.

Cost | SWIFT Members £30 | Non-Members £40 per person.

Book your place: [here](#)

PLEASE BOOK BY Thursday 2 February 2023.

Session 3 | Governor SEND Training

Tuesday 6 June 2023 | 1800 – 1900 | Online

Every Board of Governors is responsible for holding leaders to account for the education of learners with SEND. This session will help Boards to deliver effectively on this responsibility and ensure that they have a positive impact in their setting with regards to outcomes for learners with SEND.

Governors will be supported in how to ensure that their setting has robust systems to cope with SEND and to understand SEND on the frontline.

The session will also consider the basics, including definitions of SEND and the SEND Code of Practice, and the national picture, sources of information and recent developments.

Delegates will receive the tools to evaluate their school's SEND provision and to consider strategic leadership, accountability, structures and processes and people management.

Cost | SWIFT Members £30 | Non-Members £40 per person.

Book your place: [here](#)

PLEASE BOOK BY Thursday 25 May 2023.

Course Trainer

Karen Sewell was previously the SENDCO at Kingsbridge Community College and is an experienced SEND SLE for SWIFT and a SEND Associate for Education South West and she is also a SEND Governor.

SEND and Teaching Assistant Reviews

Karen also undertakes two-day SEND or Teaching Assistant Reviews to support provision within a school setting.
