Welcome from Roger Pope CBE

ESW Associate & Strategic Leader of Teaching & Research Schools | Education South West

The past year has seen schools sucked into operational mode. But as the days lengthen, we can look forward and plan more strategically for next year. Here's food for thought:

"Professional Development is likely to be the most impactful tool at our disposal for improving teacher quality and increasing pupils' learning".

(Fletcher-Wood & Zuccollo, 2020)

So, read on!

New NPQ Information Events

Our Colyton and Kingsbridge Teaching School Hubs are pleased to be working with our counterparts in Cornwall in partnership with Leading Schools South West (LSSW) and Teach First to offer your school the full suite of reformed NPQs from September 2021.

Our partnership is committed to supporting schools in developing world-class leaders, bringing together the best local knowledge and context with the national experience and programmes of Teach First.

Three new specialist NPQs will replace the current NPQML, 12-month programmes:

NPQLBC: Leading Behaviour and Culture

NPQLT: Leading Teaching

NPQLTD: Leading Teacher Development

Three revised NPQs will run as 18-month programmes:

NPQSL: Senior Leaders

NPQH: Headship (including a new programme of support for newly appointed Headteachers)

NPQEL: Executive Leadership

Two cohorts will start in the Autumn and Spring Terms.

You can find out more [here](#) and how to book for an information event.

Connecting STEM Teachers (CST) *An Invitation from The Royal Academy of Engineering*

Teachers of STEM subjects are invited by The Royal Academy of Engineering to an online meeting of CPD, networking and sharing good practice.

This will be opportunity for teachers looking to develop the STEM curriculum in your school and to build the knowledge and confidence to engage more pupils with STEM learning.

Attendees will receive free training on the Academy's latest resource: This is Engineering: Sustainable Futures, including a box with teacher and student guides and packs of equipment and materials to deliver these activities to your pupils.

Resource boxes will be allocated on a first come first serve basis.

See the booking link below.

If you are unable to attend, any STEM related teacher from your school can attend to receive the training and resources.

Find out more about the Sustainable Innovation Design Challenge competition for students to create their own sustainable design innovations.

Shortlisted teams will have opportunity to bring their innovations to life and win prizes from the Academy, and will be invited to showcase their work at the Connecting STEM Teachers 10-year celebration event next summer.

The competition will launch in September.

Early Career Framework and Appropriate Body Service *An Update and How to Sign-Up Your School to Work with Us*

Thank you to those colleagues who joined us at one of our Early Engagement Events this half term.

The Early Career Framework is part of the Department for Education's Teacher Recruitment and Retention Strategy, supporting Early Career Teachers and their Mentors in the first two years of teaching.

As one of our Hub responsibilities, Colyton and Kingsbridge Teaching School Hubs are delighted to be working with Teach First to create an area-wide partnership supporting schools across Devon, Plymouth and Torbay.

From September 2021, SWIFT will provide a streamlined Appropriate Body service for primary and secondary ECTs across the South West.

See below the link to watch the presentation from the information events and learn more about the SWIFT sign-up journey working with us.

SWIFT Early Career Framework
SIGN-UP JOURNEY FOR SCHOOLS

Schools wanting to take up SWIFT's fully-funded Full Induction Programme (FIP) for Early Career Teachers who are starting in September should follow these steps...

What?	When?	How?
STEP 1 Register with SWIFT	May-June	If you have not done so already, please register your school on SWIFT's Full Induction programme via the following link. <i>Places will be allocated on a "first-come-first served" basis.</i> CLICK HERE TO REGISTER WITH SWIFT
STEP 2 Register your school on the DfE Portal	May-June	Schools wanting to take up the Full Induction Programme (FIP) need to register the name of their ECF Induction Lead/Tutor through the new DfE portal (see further guidance below). <i>Please note: Only schools undertaking either the Full Induction Programme (FIP) or the Core Induction Programme (CIP) need to register on the portal. Schools opting for a "DIY" approach to the ECF do not need to register. You can CLICK HERE for further information about the three approaches to the ECF that schools can choose.</i>

SWIFT's Guide to the new DfE Online Service for Early Career Teachers

- Your school should have received an email directly from the DfE asking you to set up an online account and register your ECF Induction Lead/Tutor. The email will have been sent to the email address that is set against your "Get Information for Schools" (GIAS) account. This is often a school admin address.
- If you cannot locate the email you can request the email to be resent to your school by...
 - Either visiting [https://training-for-early-career-teachers.education.gov.uk/](#) and clicking 'resend email'.
 - Or emailing the DfE directly: early-career-professional-development@digital.education.gov.uk
- TOP TIPS FOR THE INDUCTION LEAD:** During the registration process, make sure you select "use an approved training provider" to indicate you are receiving SWIFT's Full Induction Package. Also, you do not need to worry about the request to "sign up with a training provider". You've already done that in Step 1!
- FOR A FULL GUIDANCE VIDEO ON THE DfE PORTAL [CLICK HERE](#)...**

+
20 live sessions from
leading figures in education

Wednesday 30 June | 1300 - 1705 and Thursday 1 July 2021 | 0920 - 1225

This year's conference builds on the successful 2020 event with an enhanced online conference experience delivered live and with real time interaction between delegates and speakers.

Themes will focus on key issues, including: disadvantaged pupils, diversity, use of evidence and technology, literacy and mental health.

Professor Dylan Wiliam will open the conference, as one of the most influential authors of the last three decades, shaping education policy both in the UK and internationally.

We also welcome back inspirational speakers from our previous conferences, including Becky Allen, Naureen Khalid and Clare Sealy. We will also welcome new speakers, Linbert Spencer, Marc Rowland, Vivienne Porritt, Bukky Yusuf, Lee Elliott Major and Anne-Marie Sim (to name but a few).

School leaders, Governors, teachers, researchers and other educational professionals are all warmly invited to attend.

***We want delegates to feel enriched, informed and inspired.
Book your place now and be part of the conversation!***

We are committed to provide schools in the South West with a quality not-for-profit conference that matches the best of any leading national educational body.

Cost | Trainee Teachers £25 | Teaching Schools South West Members £50 | Other Colleagues £75

RSHE in Practice | Secondary

Online Programme | Five Sessions | June to July 2021

Following the success of RSHE Ready and the implementation of the new regulations in September 2020, this RSHE in Practice programme is the next natural step in equipping colleagues with the knowledge, skills and resources to be confident in meeting the new requirements.

This is an exciting and challenging time for PSHE education and these sessions will highlight the best practice of teachers who are using the new guidance to raise the profile of the subject in their schools.

The four-week course includes 12-months membership to the PSHE Association and the training will benefit from their expertise and range of PSHE tools to support the training.

The key aims of the programme are:

- **To identify areas for development in your school setting**
- **To make mental wellbeing a priority**
- **To engage effectively with parents and carers**
- **To write and implement a RSHE policy for your school**
- **To have the confidence to train non-specialist colleagues**
- **To share and learn from good practice**
- **To network with colleagues from other regional schools**

[Session 1](#) | Thursday 24 June 2021 | Introduction

[Sessions 2 and 3](#) | Monday 28 June and Thursday 1 July 2021 | Making mental wellbeing a priority and Assessing pupil progress in PSHE

Get School Experience | Help Recruit Trainee Teachers in Devon

Sign-up your school for the Manage School Experience Service

As part of our ongoing support of ITT recruitment in the region, we would like to highlight the DfE “Get School Experience Service.”

The aims of the service are:

- **To recruit prospective teachers to the profession.**
- **To attract Newly Qualified Teachers to your school.**
- **To promote teacher training initiatives.**

Your school can also use the service:

- **To advertise teacher training opportunities.**
- **To target specific types of candidates.**
- **To manage candidates’ expectations.**
- **To find out more about prospective teacher training applicants.**

In order to assist schools in offering school experience to prospective trainees, the DfE offer a free service called Manage School Experience [here](#)

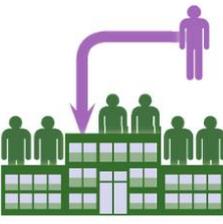

Thank you in advance for your support in attracting teacher trainees to the profession within our region by adding your school details to the service.

About Us

SWIFT is built on a partnership model of Colyton and Kingsbridge Teaching School Hubs; ten Teaching Alliances; local ITT providers; Education South West, Learning Academies Partnership SW, Ted Wragg MAT and Westcountry Schools Trust (WeST) Multi Academy Trusts; Kingsbridge Research School, Curriculum Hubs and EdTech Demonstrator Schools; Devon Schools Leadership Service; Teach First and the Chartered College of Teaching.

By creating a strong, mature partnership, SWIFT acts as a multiplier within the education system, meaning we are much more than the sum of our parts. By working together in the spirit of mutual support and towards common goals we can make this a reality. The more than principle is enshrined in our logo, which is a stylised more than sign. >

We have a clear vision: to be a trusted partner for schools. We are guided by a set of values that ensure we supports teachers and leaders to improve the educational outcomes for all children and young people, especially disadvantaged groups. To achieve this vision in accordance with our values, we have developed clear aims that guide our activities, and a coherent theory of change to show how the issues facing schools, our activity and our aims all line up.
