## Welcome from Roger Pope CBE

ESW Associate & Strategic Leader of Teaching & Research Schools | Education South West

We have all been talking about how to re-imagine education in a post-lockdown world.

The clean sweep of Ministers at the DfE is surely a positive indication that the Government recognises that such thinking is now needed – and SWIFT are here to support you along the way. *I wish you all an exciting year.*

## Welcome back to the new school year and to our new SWIFT members

**An official welcome to the 270 schools who have signed up to be members of SWIFT this school year.**

SWIFT membership provides our schools with access to an exciting and wide range of discounted / no charge CPD. To date, it is pleasing to report that over 200 RQTs have enrolled on the free, year-long ECF-style programme specifically designed by SWIFT, supporting new teachers in the profession – all the more important in the aftermath of Covid.

In addition, at the start of their career, 700 Early Career Teachers, along with their Mentors have now embarked on the Early Career Framework. And, for those colleagues developing their leadership skills, working with Leading Schools South West (LSSW), over 350 have applied to undertake a National Professional Qualification (NPQ).

SWIFT is based on a coherent partnership with former Teaching School Alliances, Kingsbridge Research School, Schools, Trusts and the new Teaching School Hubs. We are committed to bringing together the best CPD from our area, together with national programmes and we are proud of the collaborative nature of our work.

See [here](#) if you want to find out more about becoming a member of SWIFT.

## Introducing the New Professional Communities

This school year we are pleased to introduce our new Professional Communities, building on the success of our former Networks.

*To date we have 30 Professional Communities in place – with plans to grow.*

Nine new PC Leads have now been appointed, with some joining existing Professional Communities; whilst others are setting up new groups, including Oracy, Alternative Provision and Character Education.

We are glad to welcome Devon Training School Partnership, Torbay, Ventrus and West Country Training School Alliances, who all bring expertise and experience to Exeter Consortium Schools' Alliance and SWIFT Central Team. Training and Induction of our new PC Leads is underway and you can find out more in the Professional Community Prospectus.

We believe our combined working will provide the capacity to support the PC Leads with high quality administration. *For more information see [here](#)*

## A Whole School Approach to Neurodiversity | Fintan O'Regan

Neurodiversity is a term which was first coined in the late 1990s to describe conditions such as Dyslexia, Autism and ADHD as variations or differences in the human brain rather than as deficits or disorders.

We offer three sessions looking at behaviour as communication and the SF3R, a formula he developed for management.

**Session 1** | available as a recording

**Sessions 2 and 3** | Tuesday 5 October and Tuesday 9 November 2021 | 1545 – 1700

# Tackling Disadvantage through High-Quality Teaching

## *A OneCornwall and Cornwall Associate Research School Conference*

**Friday 12 November 2021 | 0930 - 1600**

**The Pavilion Centre, Royal Cornwall Showground PL27 7JE**

The phrase 'high quality teaching' is almost certainly used more than it is examined.

The OneCornwall Conference explicitly aims to address many of the practices behind the term, and to focus on improving outcomes for disadvantaged students.

*'Ensuring every teacher is supported in delivering high quality teaching is essential to achieving the best outcomes for all pupils, particularly the most disadvantaged.'*

**EEF, School Improvement Planning**

**Audience** | MAT CEOs, Governors, Primary and Secondary Headteachers, Senior Leaders and classroom teachers

## Leverage Leadership in Action Programme

### *For Primary and Secondary School Leaders*

**The Leverage Leadership (LL) in Action Programme is one of our key leadership programmes.**

The LL approach is designed to provide Headteachers and Senior Leaders with a framework to enable implementation of your own vision, values and culture into their school.

Modelled through the lens of 'Culture and Behaviour' and 'Observation, Feedback and Coaching,' the approach can however, be applied to any aspect of school leadership.

#### **Key Programme Objectives:**

- Explores the 7 Levers of Leverage Leadership
- Each day will be built around the 'See It, Name It, Do it' approach and applied to the context of that day's theme
- Expert inputs from practising leaders that have used LL principles to significantly improve pupil outcomes, behaviour, and culture in their school
- School walkarounds on each day

**Day 1 | Wednesday 13 October 2021 | 0930 - 1500**

#### **School Culture and Behaviour**

Ideally attended by Headteacher and Behaviour Lead.

*West Exe School*

**Day 2 | Tuesday 18 January 2022 | 0930 - 1500**

#### **Observation, Feedback and Coaching**

Ideally attended by T&L Lead and one other.

*Torquay Academy*

*The newly created Department for Education Exemplary Leadership Programme led by STAR Academies along with Dixons, Outwood Grange and Inspirations Trusts has LL at its core.*

## Ilsham English Hub

### Webinar | Word Power with Kelly Ashley Wednesday 6 October 2021 | 1600 – 1715 | Online

Explore strategies that will help to make strong connections with words and language as Kelly Ashley shares ideas for ensuring vocabulary instruction in the primary classroom (ages 4-11 years) is purposeful and connected using principles outlined in her debut book, **“Word Power: Amplifying Vocabulary Instruction” (2019)**.  
With its central theme of communication, teachers will be equipped with a range of practical tools.

### Workshop | Developing Pupils Understanding and Use of Spoken Language Friday 15 October 2021 | 1130 – 1300 | Online

This workshop will explore speech, language and communication needs in children and consider the word and language gap whilst looking at language models and will also consider practical advice to support children.

### Ilsham English Hub Showcase Event Thursday 21 October 2021 | 0900 – 1200 | Online

This is the first Ilsham English Hub showcase for this new academic year.

Join us to look at how we can help you continue to drive standards in the teaching of reading and early language development. There will also be opportunity to explore the new reading framework, the new validated SSP programmes and the importance of one route to reading. The session will also look at best practice and will consider your school's next steps.

**Audience** | Heads of school, SLT, Reading/Phonics Leaders.

Some schools might be eligible for a total of £160 funding per school to support supply cover to attend.

*(Schools will be assessed for eligibility when spaces are booked. If supply cover has been given in previous years then it is unable to be claimed again).*

This showcase has been updated to fit current up-to-date documentation and priorities. Hence colleagues are welcome to attend again and it will be relevant. We shall also be running this again throughout this academic year. If you have any questions or queries please email Danni Cooke (hub lead):

# FREE AQA Events and Resources

## Virtual Communities | Autumn 2021

### AQA GCSE English Language

An introduction to Threshold Concepts: the importance of structure for the co-teachability of GCSE English Language and English Literature.

There will also be an opportunity to discuss the teaching of narrative structure as a threshold concept across the curriculum and to network with peers, AQA subject specialists or other expert partners to share and develop ideas and progression strategies that maximise achievement.

### GCSE Science

A focus on how you might develop a framework to help students progress their understanding and give them confidence in tackling the unfamiliar practical situations presented to them in exams.

### GCSE Maths (Teachers)

How to develop a growth mindset in your pupils and problem-solving and developing pupils' confidence and independence. Supporting pupils to learn effectively in classes with a range of prior knowledge.

### GCSE Maths (Heads of Department)

An overview of free AQA Departmental CPD resources.

Discussing ways to facilitate more collaboration within the Maths Department and discuss why and how to increase group work in lessons, and provide some resources to try.

### GCSE Art & Design

By holistically linking the nature of learning to the assessment objectives, scenarios will be presented to consider the broader implications of assessment objectives in relation to teaching and learning.

### GCSE Geography

The session will focus on catch-up in Geography and different strategies to support key marginal students.

An evaluation of different approaches to promoting fluency within the subject and an evaluation of strategies to promote/develop extended writing.

### GCSE History

Ideas and activities to develop key skills in reading and comprehending sources and interpretations, placing content in context and using contextual knowledge to evaluate provenance and addressing the focus of the question in writing. There will also be access to a facilitation pack to help embed learning in Subject Teams.

# About Us

SWIFT is built on a partnership model of Colyton and Kingsbridge Teaching School Hubs; ten Teaching Alliances; local ITT providers; Education South West, Learning Academies Partnership SW, Ted Wragg MAT and Westcountry Schools Trust (WeST) Multi Academy Trusts; Kingsbridge Research School, Curriculum Hubs and EdTech Demonstrator Schools; Devon Schools Leadership Service; Teach First and the Chartered College of Teaching.

By creating a strong, mature partnership, SWIFT acts as a multiplier within the education system, meaning we are much more than the sum of our parts. By working together in the spirit of mutual support and towards common goals we can make this a reality. The more than principle is enshrined in our logo, which is a stylised more than sign. >

We have a clear vision: to be a trusted partner for schools. We are guided by a set of values that ensure we support teachers and leaders to improve the educational outcomes for all children and young people, especially disadvantaged groups. To achieve this vision in accordance with our values, we have developed clear aims that guide our activities, and a coherent theory of change to show how the issues facing schools, our activity and our aims all line up.
