LOOKING AHEAD: ENROLMENT FOR 2023-4...

ECF 'TEST AND LEARN' OPPORTUNITY WITH THE NATIONAL INSTITUTE OF TEACHING...

- As part of our drive for continuous improvement, we are also delighted to announce that SWIFT is now an official Associate College of the newly established [National Institute of Teaching \(NlOT\)](#) and have a remit to implement their programmes across Devon, Plymouth, Torbay and the wider South West.
- As such, if your school is interested in becoming part of a pilot roll-out of their new Year 1 ECF programme across 2023-4 then **please get in touch:** ecf@sw-ift.org.uk

**Learning that
changes lives**

WHY DOES THE ECF MATTER?

1. **Teaching quality leads to success for all pupils:** In 2011 the Sutton Trust found that the effect of high quality teaching is particularly important for pupils from disadvantaged backgrounds, and that over a school year, these pupils gain 1.5 years' worth of learning with very effective teachers, compared with 0.5 years with poorly performing teachers.
2. **Teacher Retention:** Evidence tells us that ECTs with access to effective professional development and mentoring are more likely to achieve more at a quicker rate and stay in teaching for longer.

THANK YOU FOR SUPPORTING YOUR EARLY CAREER TEACHERS...
